Miss Andreachuk Vv	Print all the lower-case letters on squares. Mix them up and put them in alphabetical order.	For the letters S,A,T,P,I,N, draw a picture of something that begins with that letter. Ex. P draw a penguin
Numeracy	Make an ABB pattern using household items. (ex. Lego, car, car, Lego, car, car, Lego, car car)	Use the 10 frame you made last week. Have a grown up give you simple math problems and solve on the 10 frame. Ex. Paul has 3 apples and buys 2 more. How many does he have now?	Practice printing numbers 0-20. Remember to start your numbers at the top. After, you could cut these numbers into cards. An adult could mix them up and you could put them in order.	Draw simple Math problems.  Draw 3 apples+2 apples= 5 apples  Draw 2 dogs+1 dog=3 dogs  Use your imagination!
Play	Pretend you are an animal parent. Use your stuffed animals to play. How would you take care of them? What would they eat?	Use your stuffed animals to sequence size. Pick your smallest animal/toy and make a line to the biggest.	Have fun playing outside. Make roads with rocks, leaves and sticks.	Make a craft or card (or both) for your mom or special adult. See YouTube videos on our website for ideas.
Other Ideas	Make an obstacle course in your living room, play-room or outside.	Sing songs together. Make a stage. Dress up. Play charades.	Ask your grown up if you can have a daytime bubble bath or play outside in a sprinkler.	Use a blanket or towel to make a parachute. Put a stuffed animal on it. How high can you make it go? Can you make the parachute go fast and slow?
